# Financial Commitment

**New Hope Christian School operates financially through tuition and donated funds from private individuals. In order for us to provide a quality Christian education program, we rely on parents to meet their financial obligations to the school.**

## **POLICIES**

The following policies are necessary to support our educational program:

- To enroll a student, the parent or guardian accepts financial responsibility for the student by signing an agreement with the school.
- Previous accounts with NHCS or another school must be settled prior to enrollment/re-enrollment.
- Payments are due on the first of each month and are considered past due after the 10<sup>th</sup> of each month.
- Late payments will receive a \$35 charge.
- A \$35 fee will be charged for all returned checks.
- **If the personal financial situation of a family changes, it is expected that parents contact the bookkeeper to work out satisfactory arrangements.**
- Unpaid balances are subject to collection proceedings.
- All accounts must be paid in-full 2 weeks prior to graduation in order for a final transcript or diploma to be issued.
- NHCS reserves the right to withhold refund payment of any student's credit balance for a period of two weeks after he/she leaves school. This ensures that all charges have been recorded on the account.

## **ASSISTANCE**

Limited financial assistance is available to qualifying students. The amount of assistance is determined by the Finance Committee and is based on family financial needs and the student's academic and citizenship records. **A Financial Aid Application Form** can be obtained from the office or bookkeeper. The Finance Committee requires that parents applying for assistance present a copy of their last year's 1040 with all schedules and W-2s, as well as any pertinent child support documentation (which will be kept confidential by the Committee). This assistance may be discontinued for the following reasons: Parents' failure to make agreed payments, student's poor attendance record or student's display of unsatisfactory attitude and conduct.

Special arrangements must be made with the Finance Committee in order to be granted an exception to any of the policies listed above or in the handbook.
