2. The application packet will be reviewed by NHCS administrative staff.
3. The I-20, needed to obtain your visa, will be issued after receipt of all forms, including the application fee. A Letter of Acceptance and all other pertinent information will be sent to student's agent or sponsor.
4. With the upcoming school year, New Hope is offering a \$250 enrollment/re-enrollment fee discount to new/returning students provided we receive the full year's payment by May 1st. Information is available for alternate payment plan. Students are NOT allowed to begin classes in any term in which their tuition has not been paid. The fee for a single semester is due following F-1 Visa issuance by the U.S. Consulate in the student's homeland.

Students who have been approved and do not come to New Hope Christian School, upon arrival in the states, forfeit their tuition and fees.

Agents using their own forms are asked to use the following NHCS forms: Refund and Attendance Policy, Affidavit of Support, Electronic Device Usage, Plagiarism Contract, Collage Photo/Picture page, Student biography, and various school release forms. Agents may use their own personal and academic teacher reference forms rather than New Hope's, as long as all transcripts and grades are depicted by semester, then total grade. Thank you.

5. Obtain your visa, secure medical insurance (from a U.S. based company), arrange travel and relay to NHCS, and prepare to arrive in the United States. Please see that the International Student Program has the family's email so host family can begin their correspondence with you.
6. **Students are asked to please arrive 7-8 days prior to the start of classes for testing and orientation.** Arriving the day before, day of, or day after classes begin are NOT acceptable, unless arrangements have been made beforehand.
7. Following arrival of 1st time attendees, you will be required :
