

NEW HOPE CHRISTIAN SCHOOL

PARENT VOLUNTEER and/or FAMILY PARTNERSHIP JOB OPPORTUNITIES

FAMILY PARTNERSHIP - Family partnership minimizes operational expenses of a large campus.

1. Each family is required to fulfill volunteer hours as follows:
 - If student(s) in family are full-time: 72 hours per year.
 - If student(s) in family are only part-time: 36 hours per year.
2. Each family is encouraged to:
 - Volunteer during the summer months (for next year).
 - Volunteer 2 hours per week during the school year.
 - Have students 14 years of age or older volunteer time to help family fulfill volunteer obligations.

Family involvement is expected; therefore, extra hours from one family cannot be given to meet the hours for another family. If a family needs reprieve from this time commitment, there are several options:

1. Apply for assistance through the bookkeeping office.
2. Pay at a rate of \$10/hour for any unmet Family Partnership time.
3. Contribute material gifts useful to the school in lieu of hours.

NHCS has been greatly blessed by many of you parents who have helped on both a volunteer basis and by putting in the required hours on the Family Partnership program.

(Parents assisting in classrooms, library, lunchroom, and on playgrounds are asked to complete an application form and schedule an interview with the office. This is for the safety of your children.)

Attached, please place a check beside any and all of the following listed areas in which you could assist on a volunteer basis or to meet your Family Partnership hours.

Then bring or send the signed form to the office ASAP. Thank you!
